September 20, 2019

Happy Friday Vikings!

Hope everyone had a fantastic week! The days are flying by and our fall sports teams are in full swing! We had an amazing turn out last Friday at our football season opener against River Hill. We had almost 2,000 members of our community present, and everywhere I turned someone was wearing gold or their "FIGHT LIKE A VIKING" tee in support of Childhood Cancer Awareness

Month. It was an incredible night catching up with alumni and watching the students have so much fun. Our football players gave 110%, never giving up, showing dedication, perseverance and commitment. I could not be more

proud of our team and our fans who came out to support them. And speaking of dedication and commitment, the girls varsity soccer team played five games straight (including Saturday) without a break -- I was tired just watching them! And they're sporting gold socks throughout the month of September also in support of Childhood Cancer Awareness month.

The Class of 2020 kicked off their last year with the Senior Crab Feast on Wednesday. I am in awe of how much our seniors have grown and matured over the last three years. Time is going too fast, and I treasure events such as these with the seniors as their graduation is roughly only 28 weeks away. I'm sure by May, I'll be ready to send them off, but I'm not remotely ready now. I'm going to enjoy attending their sporting events, their clubs and activities and of course, their remaining senior events. Enjoy the fall and treasure the time we have together – homecoming is just around the corner!

Help Girls Soccer Support Childhood Cancer Awareness

During each home game during the month of September the girls JV and Varsity soccer teams will be wearing gold socks in honor of Childhood Cancer Awareness month. At these games, we will be collecting donations to be sent to Alex's Lemonade Stand. We will have a donation basket located near the concession stand and collect donations during halftime of each game.

Our goal is to raise over \$100 this month. Come support us on September 24 vs. Atholton.

Please wear gold to support our efforts and the Vikings. Please consider donating to help support childhood cancer patients in their battle against cancer. If you are unable to attend any games, you can donate directly to a player who will pass your donation along. Thank you for your support and hope to see you at a game this month.

Bikes Are Coming!

Mrs. McCarthy's Lifetime Fitness and Aerobic Conditioning classes will be riding bikes during PE starting on or around Friday, September 27th. Please consider making sure your child is dressing in shorts or pants that are not wide at the bottom and risk getting caught in the bicycle chain. Of course tennis shoes are still necessary for safe participation in class.

If you would like to bring your own bike helmet to school during this time, you may bring it to school and have your fit adjusted. It also gets you on the bike faster during class which equals more riding time. If you choose to bring your helmet from home, please make sure your child's name is inside/on the helmet somewhere. Students are responsible for storing their helmet in their locker while at school. The helmet is the sole responsibility of the student and will not be replaced if it is misplaced.

Students may NOT bring their own bikes for use in PE. Bikes and helmets are provided for all students during class. If your child is unable to ride a two-wheel bike independently, they will get to practice gaining skill on a balance bike (no pedals) until they feel more confident and are ready to try riding using pedals.

Remember that if you ride anything with wheels (scooters, skates or bikes) and are under the age of 16, you must wear a helmet in the state of Maryland. Helmets protect our growing brains while we sharpen our safety skills and have a whole lot of F-U-N!

Please contact Mrs. Melissa McCarthy (Melissa_McCarthy@hcpss.org) if you have further questions.

HOMEcoming INFORMATION

Mt. Hebron's Homecoming is Saturday, October 19th!

A very popular tradition is the **Homecoming Pancake Breakfast** which is hosted by the Mt. Hebron Football Program. It is usually attended by 600-800 people so this is a very big deal and kicks off an exciting day of Homecoming events. It is also a very important fundraiser for the football program.

Tickets for this event will be \$8 in advance and \$10 at the door. It will take place in the cafeteria from 7:30am-10:30am.

We need as many parent volunteers as possible to handle a variety of actions, including cooking, food prep, pickup and delivery of food, decorations, ticket sales, sponsor donations, food donations, putting out yard signs, face painting, etc.

Parents, if you are willing to help out (and we hope that you are), use this **Sign Up Genius** link to volunteer:

<https://www.signupgenius.com/go/4090C44A4AD2BA13-vikings>

If you are interested in joining the committee to work on this event, please email Kellie Mason (kelliemasoncpa@verizon.net) directly. The committee will meet one evening each week leading up to this event.

If you can't donate your time, we would greatly appreciate gift card donations to help offset the cost of breakfast items. We will accept gift cards from Costco, Giant, Safeway and Dunkin Donuts. Any amount is appreciated. And we will gladly accept cash donations!!!

The JV football team will be on duty to greet, serve, cleanup and handle a variety of duties during the Pancake Breakfast. Yes they will get to eat too!

Thank you in advance for volunteering and for your support of the Mt. Hebron Football Program.

Underclassmen photos/ Senior ID

Students will take their photos on October 7th and 8th (Seniors take IDs) during their English classes.

Screenagers the Next Chapter Monday, October 7 @ 7pm

Screenagers the Next Chapter is about helping young people thrive in our screen and stress-filled world. Filmmaker and physician Delaney Ruston uses a personal lens and professional eye to help parents flip the script on stress, anxiety, and depression. We follow Delaney as she suddenly finds herself at a loss on how to help her own teens as they struggle with their emotional wellbeing. Ruston sets out to uncover how we understand these challenges in our current screen-filled society. And how we as parents and schools empower teens with skills to

overcome mental health challenges and build emotional agility, communication savvy, and stress resilience.

Please register your attendance to see the film during its premiere week at Mt. Hebron High School on October 7th at 7pm. If you scroll to the bottom of the registration page, there's a teaser movie trailer if you'd like to see more.
