Happy Friday, Vikings!

As I was checking my email last weekend, I couldn't help but think of Dr. King's quote because much to my delight, I received emails with two amazing examples of how great our Viking students are as they continue to serve.

First, **JV Football Coach, Joe Armstead** emailed me about our JV Football Players' "Campus Clean-up."

***JV football** was all business today. We started at the basketball court, baseball field and tennis courts. Worked our way around to the front parking lots, front of the school and down to the lower parking. We walked all of the grassy areas up to Route 99. Hit the*

lowers fields, softball fields and outside of the stadium behind the trees (you don't want to know some of the stuff we found). We then hit inside the stadium, under the bleachers and finished up at the portables. Wrapped up with fresh farm apples and cold waters. Fun Day!

And while our JV Football Players were busy cleaning up outside, our **Marching Unit** was inside making subs for their annual sub sale fundraiser. **Susie McShea**, one of our MTHMU Parent Volunteers let me know that, "One of the options that customers have is to purchase a sub that volunteers make and deliver to those in need. And on Saturday, about 340 subs were delivered to the Grassroots Crisis Center!" **Helen Morse**, another Parent Volunteer said that it was "an SUV full of subs!"

I continue to be awed and amazed by how much our community accomplishes when we come together. Wave your Viking flag proudly!

Attention: International Families at Mt. Hebron High School

Do you want to participate in school related events and activities, but you are not sure how/where to start? Do you want to make yourself more familiar with the American school system? Are you not sure how to navigate the school system resources? If your answer is "yes" to any of these questions, then you may want to consider participating in the program called the International Parent Leadership Program (IPLP).

IPLP has been around more than 10 years to increase leadership capacity of international parents. This six-week program helps international parents understand the framework of the US educational system and the structure and functions of the Howard County Public School System. The program assists parents in making informed decisions about the children's education.

Interested parents must submit a completed application form found on <https://www.hcpss.org/f/parents/iplp-application.pdf> no later than Wednesday, October 2. For more information, call 410-313-1293 or email Ms. Jamie Kim at jamie_kim@hcpss.org.

Program sessions will be held from 9:30 a.m.-12:30 p.m. on:

- Wednesday, October 16
- Wednesday, October 23
- Wednesday, October 30
- Wednesday, November 6
- Wednesday, November 13
- Wednesday, November 20

Youth in Conversation

(YIC) is inviting all interested high school students to meet twice a month to have facilitated dialogues and create Podcasts. Our goals are to address the challenges and gifts of diversity, teach dialogue skills to use in difficult conversations and provide leadership opportunities for students to create environments where all feel welcome. The first meeting for the 2019-2020 school year will be on October 14. Email Rebecca Dietz at hoco.convo@gmail.com for more information and to sign up.

AP Exams Window Changed

As you know, College Board adjusted the registration window for AP exams from spring to fall. Mt. Hebron has communicated these changes through Back to School Night, AP teachers,

the principal's newsletter, and the school's homepage. As a result of the new timeline, AP Exam Registration opens on October 1st and closes November 1st. Any student who plans to take an AP exam in May must register during that window.

Students received instructions through their teachers for how to register. These instructions are also available on the school's [mhhs.hcpss.org] homepage, along with screen shots that show every step of the process. It is imperative that students register in **BOTH** the **AP Portal** (which is new this year) and in **Naviance** (as they always have). The AP Portal is the only mechanism for ordering exams, and exams will only be ordered for students who go into the Portal and select the exams they want to take. They must do this for each exam, using the Join Code provided by their teacher. Naviance is how the school tracks payment, fee waivers, and permission for students to be off campus. It is essential the students complete both steps of the process. You can also find information on fees and exam location on the Mt. Hebron homepage.

If students have any questions, they can see Dr. Kiehl in room 109. You can also email Dr. Kiehl at melissa_kiehl@hcpss.org. Dr. Kiehl oversees registration for exams. Ms. Comberiate is in charge of administering the exams in May. She can be reached at amy_comberiate@hcpss.org.

Thank you for your understanding as we all navigate this new process.

AP Exams Open on October 1st

Registration for AP exams opens on October 1st. Step by step instructions can be found on the school's homepage, along with a Power Point that shows screenshots of exactly what to do. Please visit www.mhhs.hcpss.org to view the announcement. Registration closes November 1st.

HOMEcoming INFORMATION

Mt. Hebron's Homecoming is Saturday, October 19th!

A very popular tradition is the **Homecoming Pancake Breakfast** which is hosted by the Mt. Hebron Football Program. It is usually attended by 600-800 people so this is a very big deal and kicks off an exciting day of Homecoming events. It is also a very important fundraiser for the football program.

Tickets for this event will be \$8 in advance and \$10 at the door. It will take place in the cafeteria from 7:30am-10:30am.

We need as many parent volunteers as possible to handle a variety of actions, including cooking, food prep, pickup and delivery of food, decorations, ticket sales, sponsor donations, food donations, putting out yard signs, face painting, etc.

Parents, if you are willing to help out (and we hope that you are), use this **Sign Up Genius** link to volunteer:

<https://www.signupgenius.com/go/4090C44A4AD2BA13-vikings>

If you are interested in joining the committee to work on this event, please email Kellie Mason (kelliemasoncpa@verizon.net) directly. The committee will meet one evening each week leading up to this event.

If you can't donate your time, we would greatly appreciate gift card donations to help offset the cost of breakfast items. We will accept gift cards from Costco, Giant, Safeway and Dunkin Donuts. Any amount is appreciated. And we will gladly accept cash donations!!!

The JV football team will be on duty to greet, serve, cleanup and handle a variety of duties during the Pancake Breakfast. Yes they will get to eat too!

Thank you in advance for volunteering and for your support of the Mt. Hebron Football Program.

Screenagers the Next Chapter Monday, October 7 @ 7pm

Screenagers the Next Chapter is about helping young people thrive in our screen and stress-filled world. Filmmaker and physician Delaney Ruston uses a personal lens and professional eye to help parents flip the script on stress, anxiety, and depression. We follow Delaney as she suddenly finds herself at a loss on how to help her own teens as they struggle with their emotional wellbeing. Ruston sets out to uncover how we understand these challenges in our current screen-filled society. And how we as parents and schools empower teens with skills to overcome mental health challenges and build emotional agility, communication savvy, and stress resilience.

Please register your attendance to see the film during its premiere week at Mt. Hebron High School on October 7th at 7pm. If you scroll to the bottom of the registration page, there's a teaser movie trailer if you'd like to see more.
