January 3, 2020

Happy New Year, Vikings!

As we begin both a New Year and new decade together, I'd like to share author Neil Gaiman's iconic words in hopes that they will inspire you in the coming months.

"I hope that in this year to come, you make mistakes.

Because if you are making mistakes, then you are making new things, trying new things, learning, living, pushing yourself, changing yourself, changing your world. You're doing things you've never done before, and more importantly, you're Doing Something.

So that's my wish for you, and all of us, and my wish for myself. Make New Mistakes. Make glorious, amazing mistakes. Make mistakes nobody's ever made before. Don't freeze, don't stop, don't worry that it isn't good enough, or it isn't perfect, whatever it is: art, or love, or work or family or life.

Whatever it is you're scared of doing, Do it.

Make your mistakes, next year and forever."

— Neil Gaiman

Looking forward to all our shared experiences in the coming year! I'm so excited!
Joelle

Thank You to Everyone Who Is Supporting Lexi's Super Plunge!

As of New Year's Eve, **Junior Lexi Cucchiaro** passed the \$10,000 mark in her Special Olympics fundraising campaign, so she's officially going to be a 2020 Super Plunger! Thank you so much for supporting her efforts over the past few months - it really did take a village to get her to her goal. She's still collecting donations until she plunges into the Chesapeake Bay 24 times in 24 hours over January 17-18, just 2 weeks from now. If you would like to contribute to Lexi's campaign and help support Maryland's Special Olympics athletes, please visit her fundraising page at <https://support.somd.org/fundraiser/2229452>. We'll post photos as soon as we have them. Way to go Lexi!!!

SPECIAL SECTION for SENIORS

Seeking Graduation Speakers

It's time to start planning for graduation! We are looking for a few student speakers who would like to be part of the commencement ceremony. If you are interested in auditioning, you will need to audition with your own speech. Auditions will be held on 2/13/20 after school.

In order to audition, you must complete the [Google form](#) by Monday, 1/13/20. Speeches must be no longer than 3 minutes and will be read by you in front of a panel, so be sure to practice reading out loud and time yourself. We look forward to your creativity!

Graduation Window Announced

HCPSS has confirmed the window for the 2020 high school graduations as Monday, May 18-Thursday, May 28, 2020. The 12 HCPSS comprehensive high schools will hold ceremonies at Merriweather Post Pavilion. The Cedar Lane School ceremony will be held at that school.

HCPSS has made this early announcement to accommodate planning by parents, students, schools and community members. We will provide the specific dates and times of each school's graduation ceremony after Merriweather finalizes its concert schedule, historically in the early spring.

A Note from Student Services

Please periodically check out the folders located under the **DOCUMENT RESOURCES** link on the Home Page of Naviance. There are folders for College Planning, Career Planning, Financial Aid, NCAA/ Student Athletes, Parent Presentations, among others. We upload resources we think will be valuable for you and your students!

Senior Portraits

NEWS WORTH REPEATING

Freshmen News

We know midterms may feel a long way off, but the 9th grade team is already planning. There is a **9th grade Midterm Mania link** on the MHHS Student Community Canvas page under the Academics tab. This page has test taking strategies, study skills, the midterm schedule, and a midterm document for almost every 9th grade class. Please encourage your student to utilize these resources over break and the weeks leading up to midterms to prepare for the exams. If your student does not see a document for a specific class, please have the student contact the teacher directly via email.

Students can also stay after school on Tuesdays and Thursdays from 2:45pm-4pm for additional help in the media center with the beyond school hours program. This is a free, drop in tutoring program where students can receive additional support from other students from various National Honor Societies. Please contact the school with questions regarding the beyond school hours' bus.

Please contact Ms. Mongano or Ms. Stafford (the 9th grade Instructional Team Leaders) or your child's school counselor with any questions.

One week left to submit designs for the 2020 After-Prom Logo Design Contest

All student artists, graphic designers, and creative talents are encouraged to participate in the After-Prom 2020 Logo Design Contest. The PTSA is soliciting entries for the After-Prom Logo Design Contest *through midnight January 10, 2020*. The winning design will be featured on the t-shirts given away at After-Prom, plus correspondence and other marketing materials. The **winning artist receives a \$20 gift card to Qdoba**, and if that person is a junior or senior, they also receive **2 free tickets to After-Prom**. See all Contest Guidelines and Design Specifications on the [PTSA website](#). Hard copies will also be available in the front office. Please no hand-drawn images – those are more difficult to transfer to digital copy for printing.

Contact Caroline Bodziak at cbodziak@aol.com with any questions.

Schools Closed on February 4, 2020

This is a reminder that all school and offices will be closed on Tuesday, February 4, 2020, due to the special primary election to fill the 7th congressional district seat vacated following the passing of Rep. Elijah Cummings.

Mt. Hebron Gifted and Talented Research Program

The Gifted and Talented Research Program at Mt. Hebron High School includes two courses – **Independent Research GT** and **Intern/Mentor GT**. Both courses provide our students with a unique opportunity to explore a topic of their choice for the entire school year.

Students in **Independent Research** are in class with Dr. Kiehl every day. They learn about the process of conducting scholarly research, finding appropriate sources, refining their writing skills, connecting with professionals in their field, and presenting their research. They focus all of their assignments on a topic they choose and receive guidance at every step from Dr. Kiehl. Every year, the diversity of topics is fascinating. A few of this year's topics include brain cancer, the bystander effect, water availability in third world countries, special education, and so much more!

Students in **Intern/Mentor** are placed in an internship in the community. They also advance their skills and understanding of research, writing, and presenting, but do so through authentic experiences with professionals and periodic instruction from Dr. Kiehl, who also monitors their internship progress throughout the year. Students are fortunate to be placed with a number of prestigious mentors in the area. Internship locations include financial advisors, hospitals and universities, the Applied Physics Lab, local doctors' offices, the court house, and many more!

If you are interested in learning about these unique opportunities that set your child apart from others, please be sure to attend the **GT Information Session** on **January 14th at 7pm** in the **Mt. Hebron Auditorium**. Applications are available in the Mt. Hebron Media Center beginning December 1st and online at www.MtHebronGT.com. Students are welcome to see Dr. Kiehl in room 109 or email mkiehl@hcpss.org with questions.
