Happy Homecoming Vikings!

There's been an extra pep in my step this week because I've been wearing my Spirit Sneakers!

Mt. Hebron Alumni, Julia Cargiulo, made them for me after I coveted a pair she'd made for her mom. Aren't they fantastic! Of course, the energy from your students has also kept me on the move this week. Spirit Week is such a special week, the kind of high school experience that creates lasting memories and solidifies bonds even while presenting opportunities to make new friends.

Your kids' creativity is remarkable, and I marvel at the coordination and care they put into the details of their class presentations for Spirit Week judging. Kudos to everyone who participated and to our SGA for all of their efforts and coordination. Special shout-out to SGA sponsors **Phil Herdman & Katie Engelstatter** who have worked tirelessly to ensure your kids had an amazingly festive and memorable Spirit week.

Tomorrow marks the pinnacle of our festivities, starting with our community **pancake breakfast** at 7:30am. The football players will be putting their arm muscles to work as they mix the batter, so I hope you'll be able to join us. Such a yummy way to start our day and fuel us for the remaining activities. At 11:00, our incredible marching unit will serenade our surrounding neighborhoods as they lead the **parade** followed by our always creative class floats and other Viking spirit groups. The **football game** starts at 1:00, and the weather looks like it's going to be perfect for donning your Vikings sweatshirt (available for sale at the pancake breakfast) and cheering as we take on the Centennial Eagles. The **dance** starts at 7:00, and everyone who's coming needs to arrive by 8. The Homecoming Court will be acknowledged at 8:30.

I know much of the students' spirit this week comes from the support they receive at home, so thank you for everything you do to help your student and all of our students celebrate and commemorate our truly special Viking community. Come put a pep in your step and celebrate Homecoming, 2019 with us tomorrow. I look forward to showing you my sneakers in person!

AP Exams Window Changed

As you know, College Board adjusted the registration window for AP exams from spring to fall. Mt. Hebron has communicated these changes through Back to School Night, AP teachers, the principal's newsletter, and the school's homepage. As a result of the new timeline, AP Exam Registration opens on October 1st and closes November 1st. Any student who plans to take an AP exam in May must register during that window.

Students received instructions through their teachers for how to register. These instructions are also available on the school's [mhhs.hcpss.org] homepage, along with screen shots that show every step of the process. It is imperative that students register in **BOTH** the **AP Portal** (which is new this year) and in **Naviance** (as they always have). The AP Portal is the only mechanism for ordering exams, and exams will only be ordered for students who go into the Portal and select the exams they want to take. They must do this for each exam, using the Join Code provided by their teacher. Naviance is how the school tracks payment, fee waivers, and permission for students to be off campus. It is essential the students complete both steps of the process. You can also find information on fees and exam location on the Mt. Hebron homepage.

If students have any questions, they can see Dr. Kiehl in room 109. You can also email Dr. Kiehl at melissa_kiehl@hcpss.org. Dr. Kiehl oversees registration for exams. Ms. Comberiate is in charge of administering the exams in May. She can be reached at amy_comberiate@hcpss.org.

Thank you for your understanding as we all navigate this new process.
