Q: What do I need to wear for my senior portrait?

A: Depends on the package you select! For the formal yearbook photo, you have the choice between tuxedo and drape. For drape: wear a strapless or spaghetti tank top where the straps can be pulled down the shoulders. For tuxedo: wear a plain white t-shirt. Do not worry about the bottoms because they will not be seen in the formal portrait.

For casual photos: you can pick what outfit you wish to wear. Props are allowed as long as they are school appropriate and adhere to school policy.

Q: What should a formal yearbook portrait look like?

A: All portraits must be of professional quality. **The yearbook reserves the right to refuse portraits if they do not meet the quality necessary to be published in the yearbook.** Formal portraits should have a professional blue background and include tuxedo or drape.
