Hebron science teacher Paul Sabota at paul_sabota@hcpss.org.

STEM interest a plus! If you’re not inclined to judge events, you can still work the concession stand. We need you!

- **Provide lunch** for the Men Rising Club (approx. 15) The goal of this initiative will feature discussions and activities to help students establish goals academically, socially, and emotionally toward the ultimate objective of being successful in high school and beyond. Driver’s Education Options: Greg’s & Street Smarts

Greg's Driving School is the largest driving school in Maryland and has been supporting the Viking Backers and Mount Hebron students since 2006. We provide the 36-hour Driver’s Education program directly after school. Any student in Maryland who is 15 years of age or older is eligible to take the classroom portion, and once they are 15 years and 9 months of age they can take the behind-the-wheel part of the program. The program runs for ten (10) days, usually consecutive except for days that school is not in session. Students can sign up for classes at Mount Hebron by visiting www.gregsmd.com/MHHS.

Parents may view our Online Parent Orientation to learn what to expect from the Greg's Driver Education Program and how to assist us in helping your new driver take this important step toward adulthood. As parents are part of the equation in shaping new drivers, your role is important in keeping them safe.

Another useful resource is the free RoadReady app which has been approved by the Maryland Motor Vehicle Administration. This app helps you record the 60 hours of home driving practice that is required of your student, an essential step in the student's progress through the Graduated Licensing System. The app is free and can be downloaded at www.roadreadyapp.com. Thank you for considering choosing Greg’s!
