Save a Life: QPR Suicide Prevention Training

Wed., Nov. 20 – 7:00-8:30pm in the cafeteria. QPR stands for Question, Persuade, and Refer — the 3 simple steps anyone can learn to help save a life from suicide. Just as people trained in CPR and the Heimlich Maneuver help save thousands of lives each year, people trained in QPR learn how to recognize the warning signs of a suicide crisis and how to question, persuade, and refer someone to help. Each year thousands of Americans, like you, are saying “Yes” to saving the life of a friend, colleague, sibling, or neighbor. QPR can be learned in our Gatekeeper course in as little as one hour. Training provided by Grassroots Crisis Intervention Center certified instructor. Register here: <https://www.eventbrite.com/e/qpr-suicide-prevention-training-tickets-74014359943>.

Driver's Education:

Greg's Driving School is the largest driving school in Maryland and has been supporting the Viking Backers and Mount Hebron students since 2006. We provide the 36-hour Driver's Education program directly after school. Any student in Maryland who is 15 years of age or older is eligible to take the classroom portion, and once they are 15 years and 9 months of age they can take the behind-the-wheel part of the program. The program runs for ten (10) days, usually consecutive except for days that school is not in session. Students can sign up for classes at Mount Hebron by visiting www.gregsmid.com/MHHS.

Parents may view our [Online Parent Orientation](#) to learn what to expect from the Greg's Driver Education Program and how to assist us in helping your new driver take this important step toward adulthood. As parents are part of the equation in shaping new drivers, your role is important in keeping them safe.

Another useful resource is the free [RoadReady](#) app which has been approved by the Maryland Motor Vehicle Administration. This app helps you record the 60 hours of home driving practice that is required of your student, an essential step in the student's progress through the Graduated Licensing System. The app is free and can be downloaded at www.roadreadyapp.com. We thank you for considering choosing Greg's!

Since 2009, Street Smarts of Maryland has been a strong financial partner of the Mt. Hebron High School Boosters. HOW DOES THE PARTNERSHIP WORK? For each student that enrolls in the driver's education program, a donation will be provided back to the school boosters.
