Just as people trained in CPR and the Heimlich Maneuver help save thousands of lives each year, people trained in QPR learn how to recognize the warning signs of a suicide crisis and how to question, persuade, and refer someone to help. Each year thousands of Americans, like you, are saying “Yes” to saving the life of a friend, colleague, sibling, or neighbor. QPR can be learned in our Gatekeeper course in as little as one hour. Training provided by Grassroots Crisis Intervention Center certified instructor. Register here:

FYI – Trisha and Jeff are the PTSA’s HC DrugFree reps as well as members of HC DrugFree’s Teen Advisory Council.

### **Concessions - Have Fun while Getting Involved!**

(No experience required - We'll train you!)

Look no further than volunteering at the concessions stand, which raises nearly 35% of the funds provided to not just MTH sports, but clubs and academic activities. We need the support of parent and student volunteers. For parents, it's a great way to meet other Viking families and make new connections across the Viking community. For students, it's a great way to earn

service hours and give back to our great school. Plus, it's a lot of fun – just ask anyone who's done it. Please visit the link <https://www.signupgenius.com/go/4090C44AFAE2FA2FA7-2019> and sign up to volunteer!

### **Basket Bingo**

We are excited to continue the great MTH tradition that is Basket Bingo on Friday, November 22nd from 7-10pm at the Lodge in Catonsville.

Great prizes, raffles and baskets. Specials that include name brand purses and even a Yeti! Delicious food will be sold and the event will be lots of fun! We'd love to see the community come out to support Viking Backers. Tickets are \$30 and sold online at <http://www.vikingbackers.org/basket-bingo-night.html>

Much help is needed to make this event a success!

If you have a child who is a member of NHS and would like to earn volunteer hours or if you would like to join our great volunteer crew (and still be able to play the games), please see the Sign-up Genius link below.

### **Driver's Education:**

Greg's Driving School is the largest driving school in Maryland and has been supporting the Viking Backers and Mount Hebron students since 2006. We provide the 36-hour Driver's Education program directly after school. Any student in Maryland who is 15 years of age or older is eligible to take the classroom portion, and once they are 15 years and 9 months of age they can take the behind-the-wheel part of the program. The program runs for ten (10) days, usually consecutive except for days that school is not in session. Students can sign up for classes at Mount Hebron by visiting [www.gregsmd.com/MHHS](http://www.gregsmd.com/MHHS).

Parents may view our [Online Parent Orientation](#) to learn what to expect from the Greg's Driver Education Program and how to assist us in helping your new driver take this important step toward adulthood. As parents are part of the equation in shaping new drivers, your role is important in keeping them safe.

Another useful resource is the free [RoadReady](#) app which has been approved by the Maryland Motor Vehicle Administration. This app helps you record the 60 hours of home driving practice

that is required of your student, an essential step in the student's progress through the Graduated Licensing System. The app is free and can be downloaded at

[www.roadreadyapp.com](http://www.roadreadyapp.com).

We thank you for considering choosing Greg's!
